## Scandal to be examined!

Left: Dorcas (Kate Sullivan) curtsies to Master Fells (Steven Angell) who is suspected of keeping her as his concubine after they were shipwrecked on the Plimoth coast. Because of the suspicions, the two will be "examined" by the Governor's Council on Thursday, July 17, at 2:30 p.m.

Right: Dorcas (Kate Sullivan) and Master Fells (Steven Angell) are not a couple, although the pair did slip away from Plimoth before her pregnancy was noticeable.
